

VACANCY ANNOUNCEMENT

The Department of Health has a career opportunity for qualified candidates for the following position:

Title Research Scientist 2 [Classified Non-Competitive]			Salary P28 \$70,903.32-\$101,039.55
Posting Number 90-16	Position Number 068466	Number of Positions 1	Posting Period * From: 7/21/16 To: 8/4/16
Location: Division of Epidemiology, Environmental & Occupational Health New Jersey State Cancer Registry (NJSCR) 135 East State Street Trenton, NJ 08625			Scope of Eligibility/Open to: Applicants who Meet the Requirements
GENERAL DESCRIPTION			
<p>Under direction of the Director, Deputy Director and Senior Research Scientists of the NJSCR; this position will assist with the development and implementation of epidemiological cancer research, submit research proposals, analyze complex data from a large, population-based cancer registry, perform data linkages for cohort studies, develop and implement patient contact studies, and assist with interpretation of key findings from statistical analyses related to cancer incidence and other cancer outcomes. May serve as a project lead on team initiatives for cancer registry and research. Respond to inquiries from the public, health professionals, researchers, and public officials who are requesting data from the NJSCR and will be responsible for calculating epidemiological statistics using NJ cancer data. Assist with active surveillance of cancer incidence. Function as a scientific consultant in areas pertaining to cancer data and research issues around cancer data. Will prepare written reports, manuscripts, abstracts, presentations and other publications for dissemination in peer-reviewed journals, conferences, and other venues. Represent CES/NJSCR on in-house and external committees. Maintains essential research and registry files, and assists with data management, training, quality assurance, and administrative tasks as needed. Persons trained in SAS, SQL, Microsoft Access, and Geographic Information Systems are preferred.</p>			
REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)			
<p>EDUCATION: Graduation from an accredited college or university with a Master's degree in a discipline appropriate to the position.</p> <p>EXPERIENCE: Three (3) years of full-time experience in a field appropriate to the position.</p> <p>NOTE: A Doctorate in a discipline appropriate to the position may be substituted for two (2) years of experience indicated above.</p> <p>LICENSE: Appointees will be required to possess a valid driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essentials duties of the position.</p>
